

I SHALL BE RELEASED

G

Ami

They say everything can be replaced

They say every distance is not near

Ami

So I remember every face

Hmi

Of every man who put me here

I see my light come shinin'

From the west unto the east

Any day now, any day now

I shall be released

They say ev'ry man needs protection

They say that ev'ry man must fall

Yet I swear I see my reflection

Somewhere so high above this wall

Now yonder standing there in this lonely
crowd

A man who swears he's not to blame

All day long I hear him shouting so loud

Just crying out that he was framed
