| <b>Ami</b>                         |              |          |            |          | <b>Dmi</b> |              | <b>Ami E</b> |
| When marimba rhythms start to play |              |          |            |          |            |              |              |
| <b>Dmi</b>                         | <b>Ami</b>   | <b>E</b> | <b>Ami</b> | <b>E</b> | <b>Ami</b> |              |              |
| Dance with me, make me sway        |              |          |            |          |            |              |              |
| <b>Ami</b>                         |              |          |            |          | <b>Dmi</b> | <b>Ami E</b> |              |
| Like a lazy ocean hugs the shore   |              |          |            |          |            |              |              |
| <b>Dmi</b>                         | <b>Ami E</b> |          | <b>Ami</b> | <b>E</b> | <b>Ami</b> |              |              |
| Hold me close, sway me more        |              |          |            |          |            |              |              |

Like a flower bending in the breeze  
Bend with me, sway with ease  
When we dance you have a way with me  
Stay with me, sway with me

Other dancers may be on the floor  
Dear, but my eyes will see only you  
Only you have the magic technique  
When we sway I go weak

I can hear the sounds of violins  
Long before it begins  
Make me thrill as only you know how  
Sway me smooth, sway me now

Other dancers may be on the floor  
Dear, but my eyes will see only you  
Only you have the magic technique  
When we sway I go weak

I can hear the sounds of violins  
Long before it begins  
Make me thrill as only you know how  
Sway me smooth, sway me now  
You know how  
Sway me smooth, sway me now
